### **Site Specific**

The Junction has an historical and architectural uniqueness yet to be discovered. Performances will be encouraged to run for 2 days/nights prior to the street closure making 4 days/nights in total. Historical background on the Junction is available. Financial assistance is available up to \$1000.

### **Main Stage**

A large main stage will host work that requires a more traditional setting. These shows will run from 12noon to 11pm on Saturday and 12noon to 6pm on Sunday. All lighting, sound and stage management will be supplied. Fees are paid on a per artist basis.

### **Street Performers**

We are also looking for performers to participate in off the curb performance art attacks. Dancers, musicians, actors, poets, and more will be contracted to work the street in impromptu art attacks that spontaneously spring upon an unsuspecting audience. Individuals and or groups are welcome to apply. Individuals please send C.V. and photo. Groups please send info package. Artist will be paid a \$100 honorarium.

The Junction Arts Festival is the largest and most eclectic “art-meets-street” festival in Canada. The festival emphasizes a celebration of all arts, with a multi-disciplinary stance, using site-specific installations in unconventional spaces. This artist run festival welcomes both established and emerging artists. We make a concerted effort to appeal to both artists and potential audiences who may not have a clear understanding of the arts but are interested in learning and appreciating art no matter what form it takes. The Junction Arts Festival traditionally attracts over 100,000 people when the festival has been only two days.
